eBillingHub® Adds to Executive Team

Gabriela Isturiz, Ryan Ladisic and Christopher Korbich Bring Sixty years of Experience to Leader in Law Firm Electronic Billing

PITTSBURGH – January 29, 2008 – eBillingHub®, the market leader in simplifying electronic billing for law firms, today announced the appointments of Gabriela Isturiz as Chief Strategy Officer, Ryan Ladisic as Vice President, Sales, and Christopher Korbich, Chief Financial Officer. .

"Gabriela Isturiz, Ryan Ladisic and Kris Korbich bring impressive records of accomplishment that will greatly impact the team here at the eBillingHub," said Greg Coticchia, CEO of the eBillingHub. "eBillingHub has made remarkable progress in the past year. Gaby, Ryan and Kris have the skills and expertise to help the eBillingHub build on that progress and strengthen its position as the leader in helping law firms simplify the complexity of electronic billing, resulting in improved cash flow and reduction in costs"

Ms. Isturiz brings extensive first-hand law firm technology and business practice experience, having spent the last ten years leading these activities at a major litigation defense firm. Mr. Ladisic also brings deep industry experience, obtained through various roles at DataCert and IntApp. Mr. Korbich recently was served as Partner since 1984 at a major regional accounting firm. Kris served as Operating Officer for the regional firm's western Pennsylvania practice group and served on the firm's Executive Committee for over fifteen years.

"I am confident and pleased that we now have the right talent to deliver on the company's vision," said Coticchia. "This is a high-caliber group of executives."

The eBillingHub helps law firms speed up the collections process, reduce the complexity of electronic invoice submissions, eliminate billing backlogs and common submission errors, and minimize or eliminate the need for additional staff to administer electronic billing. For law firms, using the eBillingHub results in improved cash flow, increased partner distributions, and enhanced client service.

The eBillingHub is available exclusively for customers of Thomson Elite and ProLaw as 'Elite eBillingHub' directly from Thomson Elite, as a result of reseller agreement between the two organizations (<http://www.elite.com/solutions/products/ebillinghub.asp>). Similarly, the service is exclusively available of customers of RainMaker Platinum and Visual Pyramid directly from RainMaker Legal as 'eBillMaker powered by eBillingHub' (<http://www.rainmakerlegal.com/partners/partners13.htm>).

Initially released in 2004, eBillingHub delivers its law firm eBilling solution as Software as a Service (SaaS) built on a service-oriented architecture (SOA), providing Web services standards for its integration with practice management systems such as Thomson Elite and ProLaw, ADERANT, RainMaker and others. With hundreds of customers and service providers using eBillingHub and its LEDES Toolkit™, the eBillingHub has established itself as the industry standard for electronic billing for law firms of all sizes.

About eBillingHub®

eBillingHub delivers simplified electronic billing for law firms worldwide, making it possible for firms to eliminate costs and improve cash flow as they grow their electronic billing volume. The company's patent-pending technology, delivered as Software as a Service (SaaS), provides a comprehensive and collaborative approach for preparing, tracking, submitting and managing the electronic billing process. Unlike tools used by law firms to create LEDES invoice files, the eBillingHub simplifies the electronic billing process by integrating a law firm's time and billing software with multiple electronic billing vendors, which are often specified by a firm's clients.
